Reminded about RGC to be held in Tyler Texas. About 6 members indicated they would be attending. We are hoping that Ray Ray will go and sell some of the Chapter items. (hint hint)

Reminded that may 2nd, will be the WillowBrook mall salute to law enforcement. Just like last year, we hope to have a table, giveaways and lots of participation from TX 7 members.

May 4th is the Ride to Austin for law enforcement memorial. Again, we hope to have as many Blue Knights come out (whether by M.C. or car for support. Family members also encouraged to participate.

Displayed a copy of Cycle Trader, where the TX BK 7, were named for being a Texas M.C. Club. Thanks to whom ever arranged that.

Treasurer Dave Harrison talked about need to buy some new items as giveaways. Some items talked about were stickers. Little M.C.

The chapter needs as many of its members who can obtain giveaway items from their jobs or other connections to start collecting. The Chapter hopes to participate with a booth/table at several gatherings this year and would like to give away some stuff and sell other stuff.

** If you do obtain give away toys, coloring books, locks, pens, pencils, what ever, please obtain the name and address of the organization you obtained the items from, so that a Thank You contribution letter may be sent to them.**

A LOUD REMINDER to check the BK 7 website for all the activities this month and we hope to see everyone sometime this month or next. Also, this is recruiting time again. International will give awards to the member and chapter that brings in at least 4 new members and re-ups 100% of their membership. I know money is tight for a lot of people, so let's invite friends, law enforcement or not, to join us on our chapter fun rides and pass out applications to those who qualify. Remember, MP's, Coast Guard and Marines can join too.

If anyone is handy with tools and wants to make some money on the side, one of our Tx 7 members has an Ebay deal going on and it looking for some help. If interested ask around.
